**E. ALLEN GORDON LIBRARY**
The E. Allen Gordon Library’s mission is to provide educational information to students and faculty to assist in supporting the various programs offered at UACCM. To achieve this mission, the library has collected an assortment of digital and physical information resources that support the research needs of our campus community. **A UACCM Student ID is required to check out library items.**

**TECHNOLOGY**
Available technology: desktop and laptop computers, wireless internet, black/white and color printing, copier, and scanner.

**TUTORING SERVICES**
The goal of tutoring services is to help UACCM students learn critical skills that can help them achieve classroom success. Tutoring Services is designed to provide assistance to students in various courses based on need and demand. Tutoring Services is funded by UACCM and **free to all currently enrolled UACCM students.**

On campus and online tutoring is available. For more information about tutor availability, subjects, and online tutoring, visit Tutoring Services at: [http://www1.youseemore.com/uaccm/](http://www1.youseemore.com/uaccm/)

**SCIENCE STUDY MATERIALS**
Science Study Materials are located in the Academic Commons and available for in-facility use whenever the Academic Commons is open. Students have access to a variety of models of the human body, complete human skeletons, and a microscope.

**STUDY ROOMS**
Within the Academic Commons are four study rooms available for students studying individually or with a group. Study rooms support cooperative learning by providing whiteboards and meeting space for groups.

**WEBSITE & DATABASE ARTICLES**
The Academic Commons website provides online access to tutoring and library research resources. Use the Academic Commons website to access eBooks, conduct research with the **library databases** at home, learn how to research for your class, or connect with an online tutor through **NetTutor.**
